Tom Hagie, Town Administrator
Town of Brookfield
655 N Janacek Rd
Brookfield, Wisconsin 53045
United States

Thank you for using Baker Tilly US, LLP (Baker Tilly, we, our) as your accountants.

The purpose of this letter (the Engagement Letter) is to confirm our understanding of the terms and objectives of our engagement and the nature and limitations of the services we will provide to the Town of Brookfield (Client, you, your).

Services and Related Report

We will audit the basic financial statements of the Town of Brookfield as of and for the year ended December 31, 2026 and the related notes to the financial statements (collectively, the “financial statements”). Upon completion of our audit, we will provide the Town of Brookfield with our audit report on the financial statements referred to below. If, for any reasons caused by or relating to the affairs or management of the Town of Brookfield, we are unable to complete the audit or are unable to or have not formed an opinion, or if we determine in our professional judgment the circumstances necessitate, we may withdraw and decline to issue a report as a result of this engagement. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinion, add an emphasis-of-matter paragraph or other-matter paragraph to our auditor's report, or if necessary, withdraw from the engagement.

The following supplementary information accompanying the financial statements will also be subjected to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America, and our auditor's report will provide an opinion on it in relation to the financial statements as a whole.

- Combining and Individual Fund Financial Statements
- Statement of Cash Flows - Component Unit

Baker Tilly Advisory Group, LP and Baker Tilly US, LLP, trading as Baker Tilly, operate under an alternative practice structure and are members of the global network of Baker Tilly International Ltd., the members of which are separate and independent legal entities. Baker Tilly US, LLP is a licensed CPA firm that provides assurance services to its clients. Baker Tilly Advisory Group, LP and its subsidiary entities provide tax and consulting services to their clients and are not licensed CPA firms. © 2024 Baker Tilly Advisory Group, LP

Accounting standards generally accepted in the United States of America provide for certain required supplementary information (RSI), to supplement the Town of Brookfield's financial statements. Such information, although not a part of the financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the financial statements in an appropriate operational, economic or historical context. As part of our engagement, we will apply certain limited procedures to the Town of Brookfield's RSI in accordance with auditing standards generally accepted in the United States of America. These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's response to our inquiries, the financial statements, and other knowledge we obtained during our audit of the financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance. The following RSI is required by generally accepted accounting principles and will be subjected to certain limited procedures, but will not be audited:

- Budget Comparison Schedules
- OPEB - related schedules
- Pension - related schedules

Our report does not include reporting on key audit matters.

Our Responsibilities and Limitations

The objective of a financial statement audit is the expression of an opinion on the financial statements. We will be responsible for performing that audit in accordance with auditing standards generally accepted in the United States of America (GAAS). These standards require that we plan and perform our audit to obtain reasonable, rather than absolute assurance about whether the financial statements are free of material misstatement, whether caused by error or fraud. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. A misstatement is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user based on the financial statements. The audit will include examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. Our audit does not relieve management and those charged with governance of their responsibilities. Our audit is limited to the period covered by our audit and does not extend to any later periods during which we are not engaged as auditor.

The audit will include obtaining an understanding of the Town of Brookfield and its environment, including internal controls, sufficient to assess the risks of material misstatement of the financial statements and to determine the nature, timing and extent of further audit procedures. An audit is not designed to provide assurance on internal controls or to identify deficiencies in internal control. However, during the audit, we will communicate to management and those charged with governance internal control matters that are required to be communicated under professional standards.

We are also responsible for determining that those charged with governance are informed about certain other matters related to the conduct of the audit, including (i) our responsibility under GAAS, (ii) an overview of the planned scope and timing of the audit, and (iii) significant findings from the audit, which include (a) our views about the qualitative aspects of your significant accounting practices, accounting estimates, and financial statement disclosures; (b) difficulties encountered in performing the audit; (c) uncorrected misstatements and material corrected misstatements that were brought to the attention of management as a result of auditing procedures; and (d) other significant and relevant findings or issues (e.g., any disagreements with management about matters that could be significant to your financial statements or our report thereon, consultations with other independent accountants, issues discussed prior to our retention as independent auditors, fraud and illegal acts, and all significant deficiencies and material weaknesses identified during the audit). Lastly, we are responsible for ensuring that those charged with governance receive copies of certain written communications between us and management including written communications on accounting, auditing, internal controls or operational matters and representations that we are requesting from management.

The audit will not be planned or conducted in contemplation of reliance of any specific third party or with respect to any specific transaction. Therefore, items of possible interest to a third party will not be specifically addressed and matters may exist that would be addressed differently by a third party, possibly in connection with a specific transaction.

Nonattest Services

Prior to or as part of our audit engagement, it may be necessary for either Baker Tilly US, LLP or Baker Tilly Advisory Group, LP to perform certain nonattest services.

We will perform the following nonattest services:

- Financial statement preparation
- Adjusting journal entries
- Compiled regulatory reports

None of these nonattest services constitute an audit under generally accepted auditing standards.

Baker Tilly US, LLP and Baker Tilly Advisory Group, LP will not perform any management functions or make management decisions on your behalf with respect to any nonattest services we provide.

In connection with our performance of any nonattest services, Baker Tilly US, LLP or Baker Tilly Advisory Group, LP agree that you will:

- Continue to make all management decisions and perform all management functions including approving all journal entries and general ledger classifications when they are submitted to you.
- Designate an employee with suitable skill, knowledge and/or experience, preferably within senior management, to oversee the services performed.
- Evaluate the adequacy and results of the nonattest services performed.
- Accept responsibility for the results of the nonattest services.
- Establish and maintain internal controls, including monitoring ongoing activities related to the nonattest function.

In addition to the audit services discussed above, we will compile the annual Financial Report Form to the Wisconsin Department of Revenue and the Public Service Commission Annual Report. See Addendum(s) attached, which is (are) an integral part of this Engagement Letter.

Management's Responsibilities

Our audit will be conducted on the basis that the Town of Brookfield's management and, when appropriate, those charged with governance, acknowledge and understand that they have responsibility:

- For the preparation and fair presentation of the financial statements and supplementary information in accordance with accounting principles generally accepted in the United States of America;

- For the design, implementation, establishment, and maintenance of internal control relevant to the preparation and fair presentation of financial statements and supplementary information that are free from material misstatement, whether due to fraud or error; and for evaluating and monitoring ongoing activities to help ensure that appropriate goals and objectives are met and;

- To provide us with:

    - Access to all information of which management is aware that is relevant to the preparation and fair presentation of the financial statements and supplementary information such as records, documentation, and other matters;

    - Additional information that we may request from management for the purpose of the audit; and

    - Unrestricted access to persons within the Town of Brookfield from whom we determine it necessary to obtain audit evidence

Management is responsible for (i) adjusting the financial statements to correct material misstatements and for affirming to us in a management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period under audit are immaterial, both individually and in the aggregate, to the financial statements taken as a whole, and (ii) notifying us of all material weaknesses, including other significant deficiencies, in the design or operation of your internal control over financial reporting that are reasonably likely to adversely affect your ability to record, process, summarize and report external financial data reliably in accordance with GAAP. Management is also responsible for identifying and ensuring that the Town of Brookfield complies with the laws and regulations applicable to its activities.

As part of our audit process, we will request from management and, when appropriate, those charged with governance written confirmation concerning representations made to us in connection with the audit.

Management is responsible for informing us on a timely basis of the name of any single investor in you that owns 20% or more of your equity at any point in time. Management is also responsible for informing us on a timely basis of any investments held by you which constitutes 20% or more of the equity/capital of the investee entity at any point in time.

Our professional standards require that we remain independent of the Town of Brookfield as well as any "affiliate" of the Town. Professional standards define an affiliate as follows:

Included Entities: Entities that are required under the applicable financial reporting framework to be included in the financial statements of the financial statement attest client, and are included. This would include the following:

- An entity included in a Client's financial statements and the auditor does not refer to another auditor's report regarding that entity;

- An entity included in a Client's financial statements and the auditor make's reference to another auditor's report regarding that entity and is material to Client's financial statements as a whole and Client has "more than minimal influence" over the entity's accounting or financial reporting process.

Excluded Entities: Entities that are required under the applicable financial reporting framework to be included in the financial statements of the financial statement attest client, but are excluded. This would include the following:

- An entity excluded in a Client's financial statements and is material to Client's financial statements as a whole and Client has "more than minimal influence" over the entity's accounting or financial reporting process.

Investments (Investee): Investments in an investee held by the investor (Client or another "affiliate" of the Client). This would include investments when the following occurs:

- When the investor either;

    - Controls the investee (e.g. controlling or ownership interest) unless the investment in the investee is trivial and clearly inconsequential to Client's financial statements as a whole; or

    - Has significant influence over the investee and the investment in the investee is material to Client's financial statements as a whole.

Baker Tilly is not a municipal advisor as defined in Section 975 of the Dodd-Frank Wall Street Reform and Consumer Protection Act or under Section 15B of the Securities Exchange Act of 1934 (the Act). Baker Tilly is not recommending an action to Client; is not acting as an advisor to you and does not owe a fiduciary duty pursuant to Section 15B of the Act to you with respect to the information and material contained in the deliverables issued under this engagement. Any municipal advisory services would only be performed by Baker Tilly Municipal Advisors LLC (BTMA) pursuant to a separate engagement letter between you and BTMA. You should discuss any information and material contained in the deliverables with any and all internal and external advisors and experts that you deem appropriate before acting on this information or material.

Other Documents

Auditing standards generally accepted in the United States of America require that we read any annual report that contains our audit report. The purpose of this procedure is to consider whether the other information in the annual report, including the manner of its presentation, is materially inconsistent with information appearing in the financial statements or otherwise appears to be materially misstated. You have acknowledged to us that you do not intend to issue an annual report or any or combination of documents which would meet the definition of an annual report in accordance with auditing standards generally accepted in the United States of America and that you will notify in a timely manner if your intentions change.

You agree that any reference to, or association with, us in connection with the results of the audit must include our report and the complete set of financial statements covered by our report, including related footnotes and supplementary information, if applicable. Our report may not be reproduced, referred to, or otherwise used in a manner that states or implies that our report covers any financial information, financial statements, or other subject matter, or portions thereof, that were not the subject of this engagement.

The Town of Brookfield may wish to include our report on these financial statements in a registration statement proposed to be filed under the Securities Act of 1933, or in some other securities offering. You agree that the aforementioned audit report, or reference to Baker Tilly will not be included in such offering without our prior written acknowledgement or consent. Any agreement to perform work in connection with an offering, including an agreement to provide acknowledgement or consent, will be a separate agreement.

Timing and Fees

Our estimated professional fees for these services will be $71,000.

Services	Town	TIF #1	Sewer/Water	CDA	Totals
Financial Audit	$36,000	$7,500	$16,000	$11,500	$71,000

In addition to professional fees, our invoices will include our standard technology charge of 5%, plus travel and subsistence and other out-of-pocket expenses related to the engagement.

A charge of 1.5 percent per month shall be imposed on accounts not paid within thirty (30) days of receipt of our statement for services provided. In accordance with our firm policies, work may be suspended if your account becomes thirty (30) days or more overdue and will not be resumed until your account is paid in full. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed upon written notice of termination, even if we have not completed our report. The Town of Brookfield will be obligated to compensate us for all time expended and to reimburse us for all expenditures through the date of termination. In the event that collection procedures are required, the Town of Brookfield agrees to be responsible for all expenses of collection including related attorneys' fees.

Our fee estimate is based on certain assumptions. Certain circumstances may arise during the course of our audit that could significantly affect the targeted completion date or our fee estimate, and additional fees may be necessary as a result. Such circumstances include but are not limited to the following:

- Changes to the timing of the engagement initiated by the Town of Brookfield, which may require the reassignment of our personnel.

- The Town of Brookfield's failure to provide all information requested by us (i) on the date requested, (ii) in the form acceptable to us, (iii) with no mathematical errors, and (iv) in agreement with the appropriate Town records.

- Significant delays in responding to inquiries made of the Town of Brookfield personnel, or significant changes in the Town of Brookfield accounting policies or practices, or in the Town of Brookfield accounting personnel, their responsibilities, or their availability.

- Significant delays or errors in the draft financial statements and necessary schedules prepared by the Town of Brookfield personnel.

- Implementation of new general ledger software or a new chart of accounts by the Town of Brookfield.

- Significant changes in the Town of Brookfield's business operations, including business combinations, the creation of new entities, divisions, or subsidiaries within the Town of Brookfield, significant new employment or equity agreements, or significant subsequent events. Certain business transactions or changes in business operations or conditions, financial reporting, and/or auditing standards may require us to utilize the services of internal or external valuation or tax specialists.

- New financing arrangements or modifications to existing financing arrangements, or significant new federal or state funding.

- Significant deficiencies or material weaknesses in the design or operating effectiveness of the Town of Brookfield's internal control over financial reporting.

- A significant level of proposed audit adjustments.

- Issuance of additional accounting or financial reporting standards subsequent to or effective for the periods covered by this Engagement Letter.

- Circumstances beyond our control.

For new business transactions or changes in business operations or conditions, financial reporting and/or auditing standards may require us to utilize the services of internal or external valuation or tax specialists. This includes matters such as business combinations, impairment evaluations and going concern evaluation, among other potential needs for specialists. The time and cost of such services are not included in the fee estimate provided.

Revisions to the scope of our work will be communicated to you and may be set forth in the form of an "Amendment to Existing Engagement Letter." In addition, if we discover compliance issues that require us to perform additional procedures and/or provide assistance with these matters, fees at our standard hourly rates apply.

Acknowledgement

All work to be performed by Baker Tilly under this Engagement Letter shall be subject to Baker Tilly's Assurance Terms attached herein. If you agree with the scope of work and fees outlined in the Engagement Letter and the Assurance Terms, please sign and return this letter.

We appreciate the opportunity to be of service to you. If there are any questions regarding the Engagement Letter, please contact Paul J Frantz, the professional on this engagement who is responsible for the overall supervision and review of the engagement and for determining that the engagement has been completed in accordance with professional standards.

Sincerely,

Baker Tilly US, LLP

The services as set forth in this Engagement Letter and the attached Assurance Terms are agreed to by:

Town of Brookfield
Fire Department

Position	Fire Chief	**Classification:**	Exempt
Department:	Fire Department	**Employment Status:**	Full-Time
Responsible To:	Administrator	**Wages:**	$75,000-$105,000 (DOQ)

GENERAL SUMMARY

This is a full time position, non-represented professional administrative and supervisory position. Under the supervision of the Town Administrator, the Fire Chief directs the planning, organization, and direction of the Fire Department, its administration, and its operations.

Duties of the Fire Chief involve tasks of considerable difficulty involving pre-planning emergency operations, ensuring the safety of firefighters, planning and implementing the Fire Department's financial management, preparation of the operating and capital budgets, purchasing of capital and non-capital supplies and equipment.

SPECIFIC DUTIES AND RESPONSIBILITIES (INCLD. BUT NOT LIMITED TO)

- Serve as the chief executive officer of the Fire Department, ensuring compliance to state statutes, and ordinances of the Town and Department Standard Operating Guidelines.
- Serve as the responsible party for the general condition and efficient operation of the Fire Department.
- Represent the Fire Department at official Town meetings and liaise with media, citizens groups and professional associations, and all other individuals and organizations.
- Submit periodic written reports to the Town Board including:
  - An annual report for the calendar year ending on December 31st of the preceding year shall be submitted not later than the first of April each year. This report shall detail the condition of all apparatus and equipment; a number of fires, EMS calls, and other requests for emergency response; and the total number of members of the Department. The annual report shall also include an overview of the total Department operations for the preceding year; the type and amount of training conducted; and the present and future needs of the Department.
  - A monthly report indicating the number and type of emergency responses and any significant events of the preceding month.
- Collaborate with the Police and Fire Commission as requested or required.
- Act as the Fire Department's records custodian. Keep a record of every fire and EMS call to which the Fire Department responds. Maintain personnel files for Fire Department employees, correspondence files, and other administrative files as necessary. Develop, revise, and keep updated policies and procedures necessary to carry out the functions and operations of the Fire Department.
- Assess departmental needs, evaluate the use of current equipment, and assess and research the need for additional equipment necessary to protect the lives and property of the Town's residents and guests.
- Develop and manage the annual Fire Department budget for purchases and services.
- Research and pursue grant opportunities available to fire departments.
- Respond to fires and emergencies in the Town, and provide mutual aid support to neighboring communities.
- As necessary, assumes command of and responsibility for all emergency operations in the Town. As the incident commander, plans and controls emergency operations, directs the activities of the companies working at the scene, and observes overall performance of companies, apparatus and equipment at the scene.

- Preserve order and ensure efficient operation of the Department taking any other disciplinary action that is deemed necessary.
- Recommend individuals for appointment or promotion to the Police and Fire Commission for approval.
- Perform such other duties that are incumbent upon; him/her as the chief executive officer of the Fire Department and as may be directed from time to time by the Town Administrator and the Town Board.

REQUIRED QUALIFICATIONS
- Minimum of five years in a ranking officer position within a Fire Department.
- Formal fire training; preferably a bachelor's degree in Fire Science or a related field.
- Considerable knowledge of modern methods of Fire Department operations and administration.
- Knowledge of accounting and budgeting principles and practices; preparation and administration of the Fire Department operating and capital budgets; purchasing procedures; and personnel management.
- Knowledge about fire apparatus and equipment; incident command and disaster management; procedures and practices for hazardous materials incidents, structural and vehicle firefighting and EMS incidents; pre-planning of high hazard occupancies for potential fire and EMS incidents; federal, state and local laws relating to Fire Department procedures; good knowledge of Fire Department rules and regulations.
- Understanding about labor/management relations and departmental agreements.
- Ability to collaborate with administrative staff and subordinates, community and business representatives, union representatives, vendors and the public.
- Must be a citizen of the United States.
- Availability for on-call duty 24/7.

PREFERRED QUALIFICATIONS
- Bachelor's degree in Fire Science or related field is preferred
- Certification as Wisconsin Fire Fighter II, Wisconsin Fire Officer I, Wisconsin Fire Service Instructor I
- Wisconsin license as Emergency Medical Technician – Advanced or Paramedic
- Valid Wisconsin Driver's License

TOWN BENEFITS
- Optional medical insurance available immediately upon hiring
- Health Reimbursement Arrangement (HRA)
- Dental and vision insurance provided by the Town
- Enrollment in the Wisconsin Retirement System (WRS)
- Life insurance options
- Optional deferred compensation
- Town Vehicle
- Town cellphone

SPECIAL NOTES
This is a Fair Labor Standards Act exempt position, requiring the Fire Chief to work in various conditions, including potentially hazardous situations. This job description supersedes any previous descriptions for this position.

I hereby acknowledge receipt of this job description and affirm my understanding of its expectations and requirements.

Memo

To: Town Board

From: Tom Hagie, Administrator

Date: November 13, 2026

Re: Interim Chief Appointment Approval Recommendations

In response to the recent resignation of the Fire Chief, the Police and Fire Commission (PFC) met on Tuesday, November 10, 2026 to discuss the following:

1. Fire Chief job description. This was approved and recommended to the Town Board for approval to post.
2. Discussion of interim-chief appointment. The PFC desires to review all available options including internal appointment and retaining a third party to act as the Chief until a new Fire Chief is appointed. Therefore, this item was tabled and the PFC requested the administrator request proposals from third parties that provide such services. The PFC set a date of Wednesday, November 18, 2026 (the day after the 11/17 Town Board meeting) to reconvene to review all proposals received as well as to the possibility of internal appointment.

Given the last day of the current Fire Chief being Sunday, November 29, 2026, and the timing of the meetings, and the need to appoint an interim chief expeditiously, it is recommended that the Town Board approve the appointment of an interim fire chief, whether internal or third party, at the November 17, 2026 Town Board meeting, subject to the appointment of the interim fire chief by PFC at the Wednesday, November 18, 2026 PFC meeting.

It is understood that this strategy is less than ideal, however, I feel it is necessary given the current situation.

Firefighter/EMT Cole Spanbauer

RE: Agreement for Paramedic Education Support — Waukesha County Technical College

Firefighter/EMT Cole Spanbauer:

The Town of Brookfield Fire Department (the "Department") is pleased to support your enrollment in the Paramedic Technical Diploma program at Waukesha County Technical College ("WCTC") for the Spring 2027 cohort. Advancing your clinical capability strengthens our delivery of advanced life support to the community, and the Department values your commitment to this professional development.

This letter includes an agreement setting out the terms under which the Department will reimburse your tuition and required books and, if needed, loan you a Department-owned iPad for coursework. Please review it carefully. Your signature below confirms that you understand and accept these terms.

Please sign and return the agreement to my office by November 19, 2026. I will provide a countersigned version as soon as I have it. Retain a copy of the agreement for your records. If you have questions, please contact me directly.

Respectfully,

John-Paul Schilling, EFO, Fire Chief, Town of Brookfield Fire Department

cc: Personnel File

Paramedic Education Support Agreement

This Paramedic Education Support Agreement (this "Agreement"), dated as of the date identified on the signature page below, is by and between the undersigned employee of the Town of Brookfield Fire Department ("you" or "your") and the Town of Brookfield ("Town"). This Agreement relates to the Town's reimbursement of certain costs and expenses associated with your enrollment in the Paramedic Technical Diploma program at Waukesha County Technical College ("WCTC") for the session beginning in Spring 2027 ("Program").

1. Tuition and Book Reimbursement

1. Eligible expenses. The Town will reimburse your WCTC tuition and WCTC-required course textbooks for the Program. Other fees and costs for uniforms, equipment, travel, parking, and optional materials are not eligible unless the Fire Chief approves them in writing in advance.
2. Payment by employee. You are responsible for paying all Program costs at the time they are due. The Town does not advance or prepay tuition or books under this Agreement.
3. Condition of reimbursement — successful completion. Reimbursement is contingent on your Successful Completion of the Program. In this Agreement, "Successful Completion" or "Successfully Complete" means:

   Graduation from WCTC and passing the National Registry of Emergency Medical Technicians (NREMT) Paramedic cognitive and psychomotor examinations within 180 days of graduation.
4. No partial reimbursement. If you withdraw, are dismissed, cease being employed by the Department while attending the Program or prior to Successful Completion of the Program, or do not Successfully Complete the Program, no reimbursement will be paid, including for courses you passed. You will also not be reimbursed for any costs relating to your enrollment in any other course that is similar to those offered as part of the Program, whether by WCTC in subsequent sessions or other educational institution. Reimbursement by the Town pertains only to your Successful Completion of the Program that begins in Spring 2027.
5. Request for reimbursement. Within 30 days of Successful Completion, you must submit to the Fire Chief: (a) itemized WCTC tuition statements; (b) itemized purchased book receipts; (c) proof of payment; (d) an official transcript or Program completion certificate; and (e) your NREMT results.
6. Payment. The Town will process approved reimbursement within 30 days of receiving complete documentation in a form acceptable to the Town. Reimbursement is subject to all applicable tax and withholding laws as determined by the Town.
7. Other funding. Reimbursement will be reduced by any grants, scholarships, or third-party payments you receive for the same expenses. You must disclose such funding when you submit your reimbursement request.
8. Attendance and duty. Your Program enrollment does not relieve you of your regular duties or obligations under Town of Brookfield Fire Department ("Department") policy and the collective bargaining agreement between the Town and IAFF Local 4724.

2. Department iPad Loan

1. Issuance. If the Program requires a tablet for coursework, the Town will loan you one Town-owned iPad, with a case and charger, for the duration of the Program. The equipment issued will be recorded below at the time of issuance.

2. Ownership and use. The iPad remains the property of the Town at all times. It is issued for Program coursework and Department business only and is subject to the Town's technology and acceptable-use policies. You have no expectation of privacy in its contents, and you may not install unauthorized software, remove Department management profiles, or allow others to use it.
3. Care. You are responsible for the reasonable care and security of the iPad, its case, and its charger while they are in your possession.
4. Return. You must immediately return the iPad and all accessories to the Fire Chief or designee, in the condition issued less normal wear (as determined by the Town) upon the earliest of: Successful Completion of the Program, withdrawal or dismissal from the Program, separation from employment, or the Department's request.
5. Damage, loss, or theft. You are financially responsible for damage beyond normal wear (as determined by the Town), and for loss or theft, of the iPad or its accessories while in your possession. You shall report the occurrence of any iPad damage, loss, or theft to your supervisor within 24 hours, and in the case of theft, you shall report the theft to law enforcement within 24 hours. Your financial responsibility is limited to the lesser of the reasonable repair cost or the replacement cost of a comparable device as determined by the Town.

Item	Serial / Asset No.	Condition at Issue	Date Issued	Date Returned
iPad ([model])				
Case				
Charger and cable				

3. General Provisions

1. Not employment contract; employment termination. This Agreement does not guarantee continued employment, promotion, assignment to a paramedic position, or any change in compensation. If you cease employment with the Department at any time within two years following the date you Successfully Complete the Program, you shall immediately pay the Town the amount of the reimbursement payment made to you by the Town, prorated on a daily or monthly basis (as determined by the Town) from the date of Successful Completion through the date your employment with the Town ceases. By way of illustration, if you Successfully Complete the Program on May 1, 2027 and your employment ceases on November 1, 2027, you will have worked six months and will therefore be required to pay the Town three-fourths (18 months divided by 24 months) of the reimbursement payment made to you by the Town, subject to any applicable taxes and withholding requirements. The Town may withhold all or some of your final pay in order to satisfy your obligations under this Section.
2. Relationship to the collective bargaining agreement. Where this Agreement conflicts with the collective bargaining agreement between the Town and IAFF Local 4724, the collective bargaining agreement controls.
3. Entire agreement. This Agreement is the complete agreement with regard to the subject matter of this Agreement. Changes must be in writing and signed by both parties.
4. Effective Date. This Agreement takes effect upon execution by the Town.

Employee Acknowledgment

I have read and understand this Agreement, and I accept its terms.
